MPSEOC Board Members,

I absolutely support and recommend Michelle Flores' nomination to serve on the MPSEOC Board of Directors. She is an asset and valuable member of our team, and I have no doubt that she will serve the Board with both skill and passion for the work. The University of Montana will benefit greatly from her involvement with the Board's state-wide collaboration.

Michelle has permission to attend the MPSEOC Summer Conference, Winter Executive Board Retreat and any Executive Board Meetings throughout the year.

Please contact me with any questions you might have.
