

Dear Members of the Selection Committee,

I am writing to express my interest in joining the Board of Directors for the Montana Post Secondary Educational Opportunities Council (MPSEOC). With a commitment to enhancing educational opportunities and currently working in higher education and leadership, I am confident in my ability to contribute meaningfully to the mission and vision of MPSEOC.

As a dedicated advocate for post-secondary education, I have spent four years working in higher education at Dawson Community College. My role as Director of Enrollment is where I have gained experience and have developed a keen understanding of the challenges and opportunities facing students, educators, and institutions in Montana.

I am particularly drawn to MPSEOC's mission of providing comprehensive resources and support to students seeking post-secondary education. I am eager to contribute to MPSEOC's initiatives by leveraging my expertise in leadership and enrollment. My goal is to help expand MPSEOC's reach and impact, ensuring that students from all backgrounds have the information and resources they need to succeed in their educational pursuits.

In addition to my professional experience, I bring a strong commitment to equity and inclusion. I firmly believe that every student deserves access to quality education, regardless of their socioeconomic background. As a board member, I would advocate for policies and programs that promote inclusivity and support underrepresented groups.

I am excited about the possibility of serving on the MPSEOC Board of Directors and contributing to the important work of this organization. Thank you for considering my application. I look forward to the opportunity to discuss how my background, skills, and passions align with the goals of MPSEOC.

Sincerely,

Erica Milne

Director of Enrollment

Dawson Community College
